AGAINST TERRORISM**

December 7, 2005

Dear Representative:

The Coalition to Insure Against Terrorism (CIAT), a broad-based coalition of business insurance policyholders representing a significant segment of the nation's GDP, is pleased to strongly support H.R. 4314, the Terrorism Insurance Risk Revision Act of 2005, that would reform and extend the Terrorism Risk Insurance Act (TRIA) for two more years.

As the principal consumers of this vital insurance coverage, CIAT urges you to vote for H.R. 4314, which recently passed the Financial Services Committee with overwhelming, bipartisan support. If enacted, this legislation will ensure that the nation's workers and businesses will be able to secure adequate and affordable insurance coverage against terrorism after the end of 2005, and that the nation has a sound policy in place to enable the economy to quickly recover should another terrorist attack occur in the United States.

CIAT enthusiastically supports H.R. 4314 and asks for your vote and support on the House floor.

Sincerely,

The Coalition to Insure Against Terrorism
